

PUZZLING SOLUTIONS: ON THE IDENTICALITY OF DR. AMES

by Emil Filterbag, *Improbable Research* staff

EDITOR'S NOTE: We have a large collection of puzzle solutions for which we have lost the puzzles. Here is another.

ANSWER: No, the two photographs of Dr. Joseph Sweetman Ames, one of the original members of the National Advisory Committee for Aeronautics, appointed by President Woodrow Wilson in 1915, are not identical.
